

Sanofi at a Glance

Edward A. Morales

The background of the slide features a stylized illustration of an olive branch with several leaves and olives. The illustration is rendered in shades of gray and white, with some leaves appearing as solid white shapes against a dark gray background. The branch extends from the top right towards the bottom right of the slide.

Main Goal

Improve global health by developing innovative and effective healthcare solutions.

Agenda

- Key Drugs
- Economic Impact
- How Sanofi is Giving Back
